

Call For Nomination (for candidate members of the new Fellow of IFSA Committee)

Through 2015, the current Fellow of IFSA Committee (hereafter referred to as Committee) has selected a group of scholars for the Fellow of IFSA award, who are distinguished contributors to and have had a significant impact on fuzzy logic related research, applications and IFSA activities. We would like to take this opportunity to express our sincere thanks to all the members of the Committee for their important roles in the Committee with their valuable time, energy and expertise.

According to the IFSA Operating Guidelines amended and documented in 2005, the IFSA Council is starting the process for the formation of the new Fellow of IFSA Committee, and is calling for nomination. The new Committee will serve for four years after the approval of the IFSA Council.
